

2025 IISS Awards Call for Nominations

The International Image Sensor Society (IISS) is pleased to honor those members of our community who have inspired us with their excellence. The IISS Exceptional Lifetime Achievement Award, IISS Pioneering Achievement Award, and IISS Exceptional Service Award are presented biennially at the International Image Sensor Workshop (IISW). For the 2025 IISW (to be held in Japan), IISS is pleased to announce a call for nominations for these three distinguished awards from the image sensor community. Selection of awardees will be made by the IISS Board of Directors. Detailed information of all IISS awards and past winners is found at the IISS website: <http://imagesensors.org/>

Description of Awards for Nomination

IISS Exceptional Lifetime Achievement Award

This Award is made to a member of the image sensor community who has made substantial sustained and exceptional contributions to the field of solid-state image sensors over the course of their career. (Established 2013)

IISS Pioneering Achievement Award

This award is to recognize a person who made a pioneering achievement in image sensor technology as judged by at least 10 years of hindsight as a foundational contribution. (Established 2015)

IISS Exceptional Service Award

The Exceptional Service Award is presented for exceptional service to the image sensor specialist community. This category recognizes activities in editorial roles, conference leadership roles, and so on, outside of their service related to the IISS. (Established 2011)
